CHRIST THE KING CHURCH

Up to September 18, the Anniversary of Dedication of our new Church, there have been 102 baptisms during 1949. Since the opening of this mission station in 1938 baptisms total 687. There have been 60 funerals and 128 marriages, of which 82 were revalidations.

The old church building was rented as of September 1 for one year to the Sossotte Charitable Society for their benefits. One evening a week is reserved for Parish activities. The rental is \$75 a month, which will clear about \$500 a year over taxes, and care for one quarterly installment on our heavy debt.

Monday, September 20, one hundred Deanery ladies gathered as guests of the Altar Society workers colored and Mexican, under our president, Mrs. Secena. A fine luncheon was served. Father Thornton was guest speaker. As cups, creamers, silverware, etc., had to be bought for the occasion, the net proceeds were just above \$43.00, but all the visiting ladies enjoyed the affair and left well-impressed.

Our next improvement will be the oiling of our vacant lot for parking purposes next to the Rectory.

The school year opened with four three-day retreats—one for the Freshmen, given by Father Parrish, the others for the upper-classmen: Sophomores, given by Father Eugene Ivancovich; Juniors, given by Father Bradstreet; and Seniors, given by Father O'Mara. At the close of the retreats the votive Mass of the Holy Ghost was held in St. Thomas' Church. Father O'Mara preached the sermon.

Father James Kelly has been appointed Administrator of the Summer Parishes in Mono County succeeding Father Maginnis who has been transferred to Phoenix. During the eleven years in which Father Maginnis has been Administrator, four mission stations were developed. Summer Notes:

The library institute conducted by Fr. Bouwhuis was a great success.

During the summer Fr. Collins gave the weekly broadcasts over Station KRKD. This September Fr. Vaughan begins his twenty-first year of weekly broadcasting. In July Fr. Vaughan accompanied Msgr. O'Dwyer to Sacramento to fight for the Dolwig bill, a bill introduced to nullify our vicious sterilization bill. The Legislature had approved the Dolwig Bill with only one dissenting vote and it looked like the end of sterilization in California. However, the M.D.'s from our state institutions gathered frantically to kill the bill before it reached the Senate. They did. In the Senate committee hearing, the overconfident promoters of the Dolwig Bill argued from the "due process" clause alone, and the clergy were asked to remain away. Net result: no one was present to answer the doctors' specious arguments, and the bill was killed in committee. The butchers still remain free to continue their human butchery.

At Santa Barbara from August 21st to 25th, Fr. Daniel McGloin and Dr. John Bricca represented Loyola at the first Western Workshop of the Foundation for Integrated Education, Inc. This foundation, established about two years ago, works toward the integration of the content and administration of higher education by an attempt to get to unifying purposes and principles, and to combat the evils of excessive specialization and departmentalization of the educative process. Both representatives of Loyola agreed that the Workshop was interesting, stimulating and profitable.

MANRESA JESUIT RETREAT HOUSE

The work on the new construction, called "hermitages," has progressed rapidly, and the five buildings will be ready for occupancy by the first of October. They have tile roofs, and exteriorly they look something like the porticos of the old California Missions.

Each "hermitage" has four rooms; in all, twenty rooms, and each room has its own shower and wash room. Of these twenty rooms twelve have been individually donated; the donation for a room is \$2500. The furniture will be uniform throughout; and it is of the mission type made in a local factory.

Fr. Maher is to give the retreat to the seminarians at Mundelein Seminary, Chicago, in October; and then on the way back will give the annual retreat to our own Theologians at St. Mary's, Kansas.

Fr. Odon is now assigned to Azusa, and has given four retreats.

With the completion of the new buildings the number of beds in each of the large rooms of the "big house" can be reduced. Four beds to a room, and two such rooms to one wash room was putting the retreatants' patience and good will to quite a test.

The house adjoining, which is called the "White House," was recently acquired to protect our privacy. The two houses form one property; and were owned and used by two branches of the same family.

MOUNT ST. MICHAEL'S

In the evening an entertainment was presented by the 2nd and 3rd years in honor of the 1st year.

Sept. 7. The arm of St. Francis Xavier was brought up to the Mount from Spokane, where large crowds venerated it. It was in the Domestic Chapel all night for veneration.

Fr. McGratty of the Apostleship of Prayer addressed the community.

Sept. 18. A Day of Recollection was conducted for the Spokane Deaf by the Scholastics. It was the largest turnout yet had.

ST. FRANCIS XAVIER, PHOENIX

Fr. Cosgrave left Phoenix September 18th for his new assignment after spending sixteen years here. His unselfish devotion to duty and his calm even temperament endeared him to the hearts of all. He was regular confessor for many of the priests in Phoenix both secular and religious.

Fr. Dale Maginnis returned to Phoenix after an absence of eighteen years and was warmly received, especially by the old timers of the Brophy College days. Among his former pupils are several priests of the diocese, many doctors, lawyers and outstanding business men of the city. Father teaches religion in our high school. Many in his classes are the children of his former pupils of eighteen years ago.

Our parochial school has 750 in the grade school and 120 in the high school. Several hundred had to be turned away because of the lack of room and scarcity of teachers.

The Xavier Pool Swimming Team won the championship of the city and the state of Arizona. They have to their credit 32 records and twenty trophies. During the season almost daily publicity was given to them in all the local newspapers.

Our church is so crowded on Sundays that we are forced to have four extra Masses in a hall to take care of the overflow. Every Sunday during the year we have ten Masses here, three at Sunnyslope, one at the Convent of the Good Shepherd, and one at the Indian School. The Bishop is urging us to build a new church.

ST. JOSEPH'S

On Sunday, July 17th, the San Jose Historical Society dedicated a plaque in front of the Church commemorating St. Joseph's as the oldest Christian church in the county. St. Joseph's was founded as a Mission in 1803, and established as a parish in 1849. This year we are celebrating our centennial! A three day carnival is planned for December with all parish organizations cooperating 100%.

During the months of July and August the Parish received excellent assistance through the efforts of Frs. Stretch and Fred Cosgrove.

On Friday, August 26th, Fr. Franchi was officially appointed 3rd assistant to Fr. Ring.

Thursday, September 8th, the Nativity of the Blessed Mother, was also the birth of the new Provincialate. On that morning Very Rev. Father Provincial, Fr. Socius and Fr. Secretary departed for the new residence at Vallejo and Lyon Streets, overlooking the broad expanse of San Francisco Bay! Fr. Maring, the Procurator, departed two days prior. Fr. Pius Moore will remain here at the Religious House of Saint Joseph for a few weeks gathering up loose odds and ends.

SAN FRANCISCO

Church

The work is progressing on the construction of the new main altar which is supposed to be ready for December 8th. In the meantime, a side altar is used, except on Sunday.

The arm of St. Francis Xavier was exposed for veneration and an almost constant stream of people passed through for blessing from 9 to 3 o'clock.

Fr. Pfister, Provincial of Japan, accompanied the arm from Japan to the United States. Fr. McGratty, Director of the Apostleship of Prayer, will take it through the United States for veneration, before the relic returns to Rome. Community.

During the summer we had visitors from France, England, Ireland, Germany, Japan, China, Venezuela, Columbia, Brazil, Italy, Canada, Mexico, and practically all of the U. S. Jesuit Provinces.

Fr. Diebels was taken to St. Mary's hospital for an emergency appendectomy. His condition is quite satisfactory.

Fr. Cody, who is recovering from an illness, has the hospital room next to that of Fr. Diebels.

Fr. Riccardo Lombardi, the famous Italian Jesuit, was a guest and addressed the community in Latin. University.

The University building was given a complete painting, inside and out.

The cement is being poured for the new Gleeson Library. Strikes held up work for about two weeks, but progress is in evidence, even though the building is so large.

The University was represented at the inaugurals of new presidents of Stanford University and St. Bonaventure. Fr. John Martin also represented Fordham at Stanford.

Fr. Peter Dunne early in the spring was placed on the executive committee of the First Congress of Mexican and United States Historians, by Dr. Lewis Hanks, head of the Hispanic Foundation of the Library of Congress. Fr. John Bannon of St. Louis University represented Fr. Dunne, who was prevented from attending, by registrations at home.

At a convention held September 15th of two groups, the World Alliance and the Society of International Friendship Through Religion, Fr. Peter Dunne gave a dinner-address on Religion and Secularism. Many religious affiliations were represented: various Christian churches, Jews, Buddhists, Mohammedans. Pope Pius XII has often spoken with approval of such inter-religious co-operation in the problem created by world affairs. High School.

With the advent of the school year there have come about several changes and adjustments in policy, some of which are listed below:

'Several teachers' meetings are held every week for instructors in various subjects.

Sophomores, Juniors and Seniors are dismissed daily at 2:30, the old Activity Period, as such, being dropped.

An old custom was resurrected, namely, the teacher's right to send a boy home if caught smoking or throwing things in the school.

Most of the Scholastics help out in the physical education classes for the Freshmen.

The Fathers are the moderators of all the school activities with the Scholastics assisting them.

The responsibility of prefecting has been turned over almost completely to each teacher so that in a certain sense each teacher is his own prefect of discipline.

An old custom was abolished—pen and ink are now permitted in the school.

Enrollment and Personnel: The enrollment decreased to 875 with about 199 incoming Freshmen.

The teaching staff now numbers 14 Fathers, 13 Scholastics, and 12 laymen.

Mr. Devlin and Mr. Prussing are assistant coaches for the Junior Varsity. Mr. Sullivan is helping Mr. McFadden on the Ignatian.

Debating moderators under Fr. Harrington are Messrs. Kelly, Lo Schiavo, and B. Brannon.

Fr. Jos. O'Gara is Director of the Sodality, assisted by Messrs. Kelly, Brannon, and Morgan.

Fathers' Club: The Fathers' Club held its first monthly meeting Sept. 15th. A good number attended and plans were made for the Communion Breakfast.

Vocations: Seven Seniors of last year's graduating class entered Los Gatos—five as scholastic novices and two as coadjutors. Others, graduates and some of the lower classmen, also left for seminaries.
